

Galette Des Rois
The Pastry Chef of
Her Majesty, The Queen

Look, a customer

Welcome to
Galette Des Rols.

What are you
looking for?

That
doesn't
seem to be looking
for a gift for
White Day.

Sorry if I offend
but hasn't that
holiday already
passed?

It's early for
that type of thing
like the thought
that counts!

It's because of
school exams that
I couldn't make it
to White Day.

Even though they
won't send mail contact,
I want to give her a
White Day present.

Looks like
he's too late.

In that case..

Ha?

A telephone..?

I think you
should call the
lady first.

Even though
White Day is over,
I put marshmallows
in the milk tea

Why don't
you try it?
